Program Details

We provide an immersive environment for children 5 days a week to learn Chinese. Children will practice **phonetics & tones**, develop **basic vocabulary & comprehension**, learn **more advanced Chinese characters** and progress to **independent reading**.

- **Chinese Active Play:** Our large gym floor lets kids play games designed to get them to use Chinese.
- **Chinese Reading/Writing:** Classroom instruction allows teachers to cover curriculum lesson plans.
- **Heritage Enrichment:** Creative & cultural activities to reinforce each week's Chinese lessons.
- **Movement & Dance:** Songs are great ways for kids to learn Chinese through music and lyrics.
- **Math & Science:** These activities help kids learn basic everyday math & science terms (like fractions).

Heritage enrichment activities on Tues & Thurs reinforce Chinese lessons taught on Mon, Wed, & Fri.
