

ONLINE ROLE-PLAY GAMING SUMMER 2021!

Someday soon, we'll be back to gaming face to face, until then we **Zooooooom!**

Hello Parents!

If we have not had the pleasure to meet, I am Professional Storyteller and expert Game Master, Michael Azzolino. I would like to thank you for the opportunity to play, teach, and learn from many of your children this past Spring! We had a lot of FUN! I am excited to announce that for this summer, I have expanded my program to offer multiple daily timeslot solutions to help you manage the difficult summer schedule. Every **Monday, Wednesday, and Friday** the kids will role-play as characters in an exciting & epic 'campaign style' **Dungeons & Dragons** adventure. Tuesday and Thursdays will be Activity Days, featuring themed projects and creation games, where we will learn to collaboratively design story elements - like magic items, monsters, princess, cities, etc. We will play (story, language, and word style) games together, which are an excellent method for connecting with the children's imagination and creative confidence.

You may reserve **Campaign Gaming** by the week or **Activity Days** separately.

Finally, I am offering your children a totally unique experience! I have invited several gaming industry professionals, to visit us during the week! A chance to meet the designers and authors who create(d) the games we play and gain insight into an industry they may want to be "when they grow up".
